ABOUT US

A UNIT OF THE GREENHOUSE

Established in the year 1996, at Delhi (India), we are known as one of the leading manufacturer of FRP planters, artificial big trees, Plants, Floral arrangements, Green wall, Grasses and much more.

Using meticulous handcrafted molding and impeccable finishes, a true shoepiece is born for luxury container garden displays. Medium and large outdoor planters are lightweight, weatherproof and virtually free of upkeep. To boot, fiberglass commercial planters are also right at home indoors. The Greenhouse planters will never crack in the winter, or fade in the glare of summer, as this material has been fabricated to protect against inclement weather and ultraviolet rays. The Greenhouse planters (without painted) come with pre-drilled drainage holes (optional) to ensure healthy roots. Comes with a 1 year limited warranty against fading or cracking. With more than 30 colors options in glossy and matt finish.

we also make custom design planters as per customers need. If you have specific shape or design, please share with us, or if you like our design below, Just send inquiry with item code mentioned along with quantity. we will happy to revert you along with best price.
